TestFlight App for Assessing Age 3 IGDIs

2024 Winter/Spring
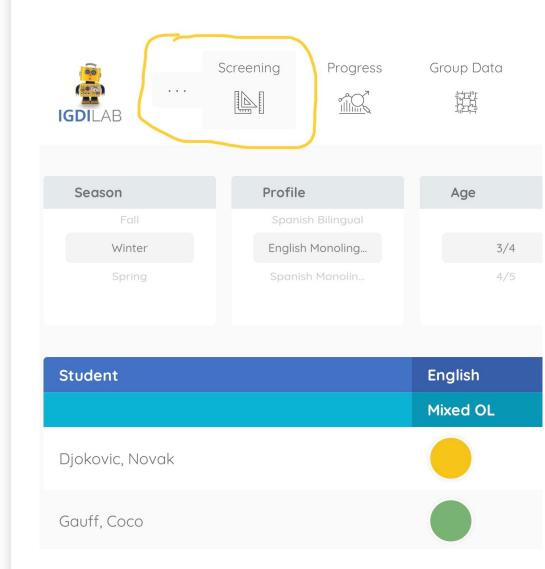

Navigating the App

For assessors-

When you choose your correct season, profile, age, and domain the children you have uploaded should be listed below.

To assess you will click the "Assess" button.

The top left corner contains a button with 3 little dots. That button will allow you to switch between classrooms if you assess multiple classes.

Troubleshooting Flowchart

I can't download the app
- Do you have internet connection?
- Does your district have the correct links whitelisted?

I can't login
- Are you using the password and Username you supplied to WSU?
- Are both of the iPads up to date?

The app won't let me assess
- Are both of the iPads connected to WIFI and up to date?
- Does the district have the correct links whitelisted?

My students or sites are missing
- Have the student's or sites been submitted?
- Ensure you have the correct classroom, season, and language selected.

My iPad(s) won't connect
- Are both of the iPads up to date?
- Are both of the iPads connected to WIFI?

I can't open the app
- Is your iPad and App up to date?
- Did you "allow" the app in settings?

* See page 2 for whitelisting information.

Delete the app and redownload it if you are continuing to have difficulties.

Restart your iPad after following the chart and before contacting WSU for assistance.
